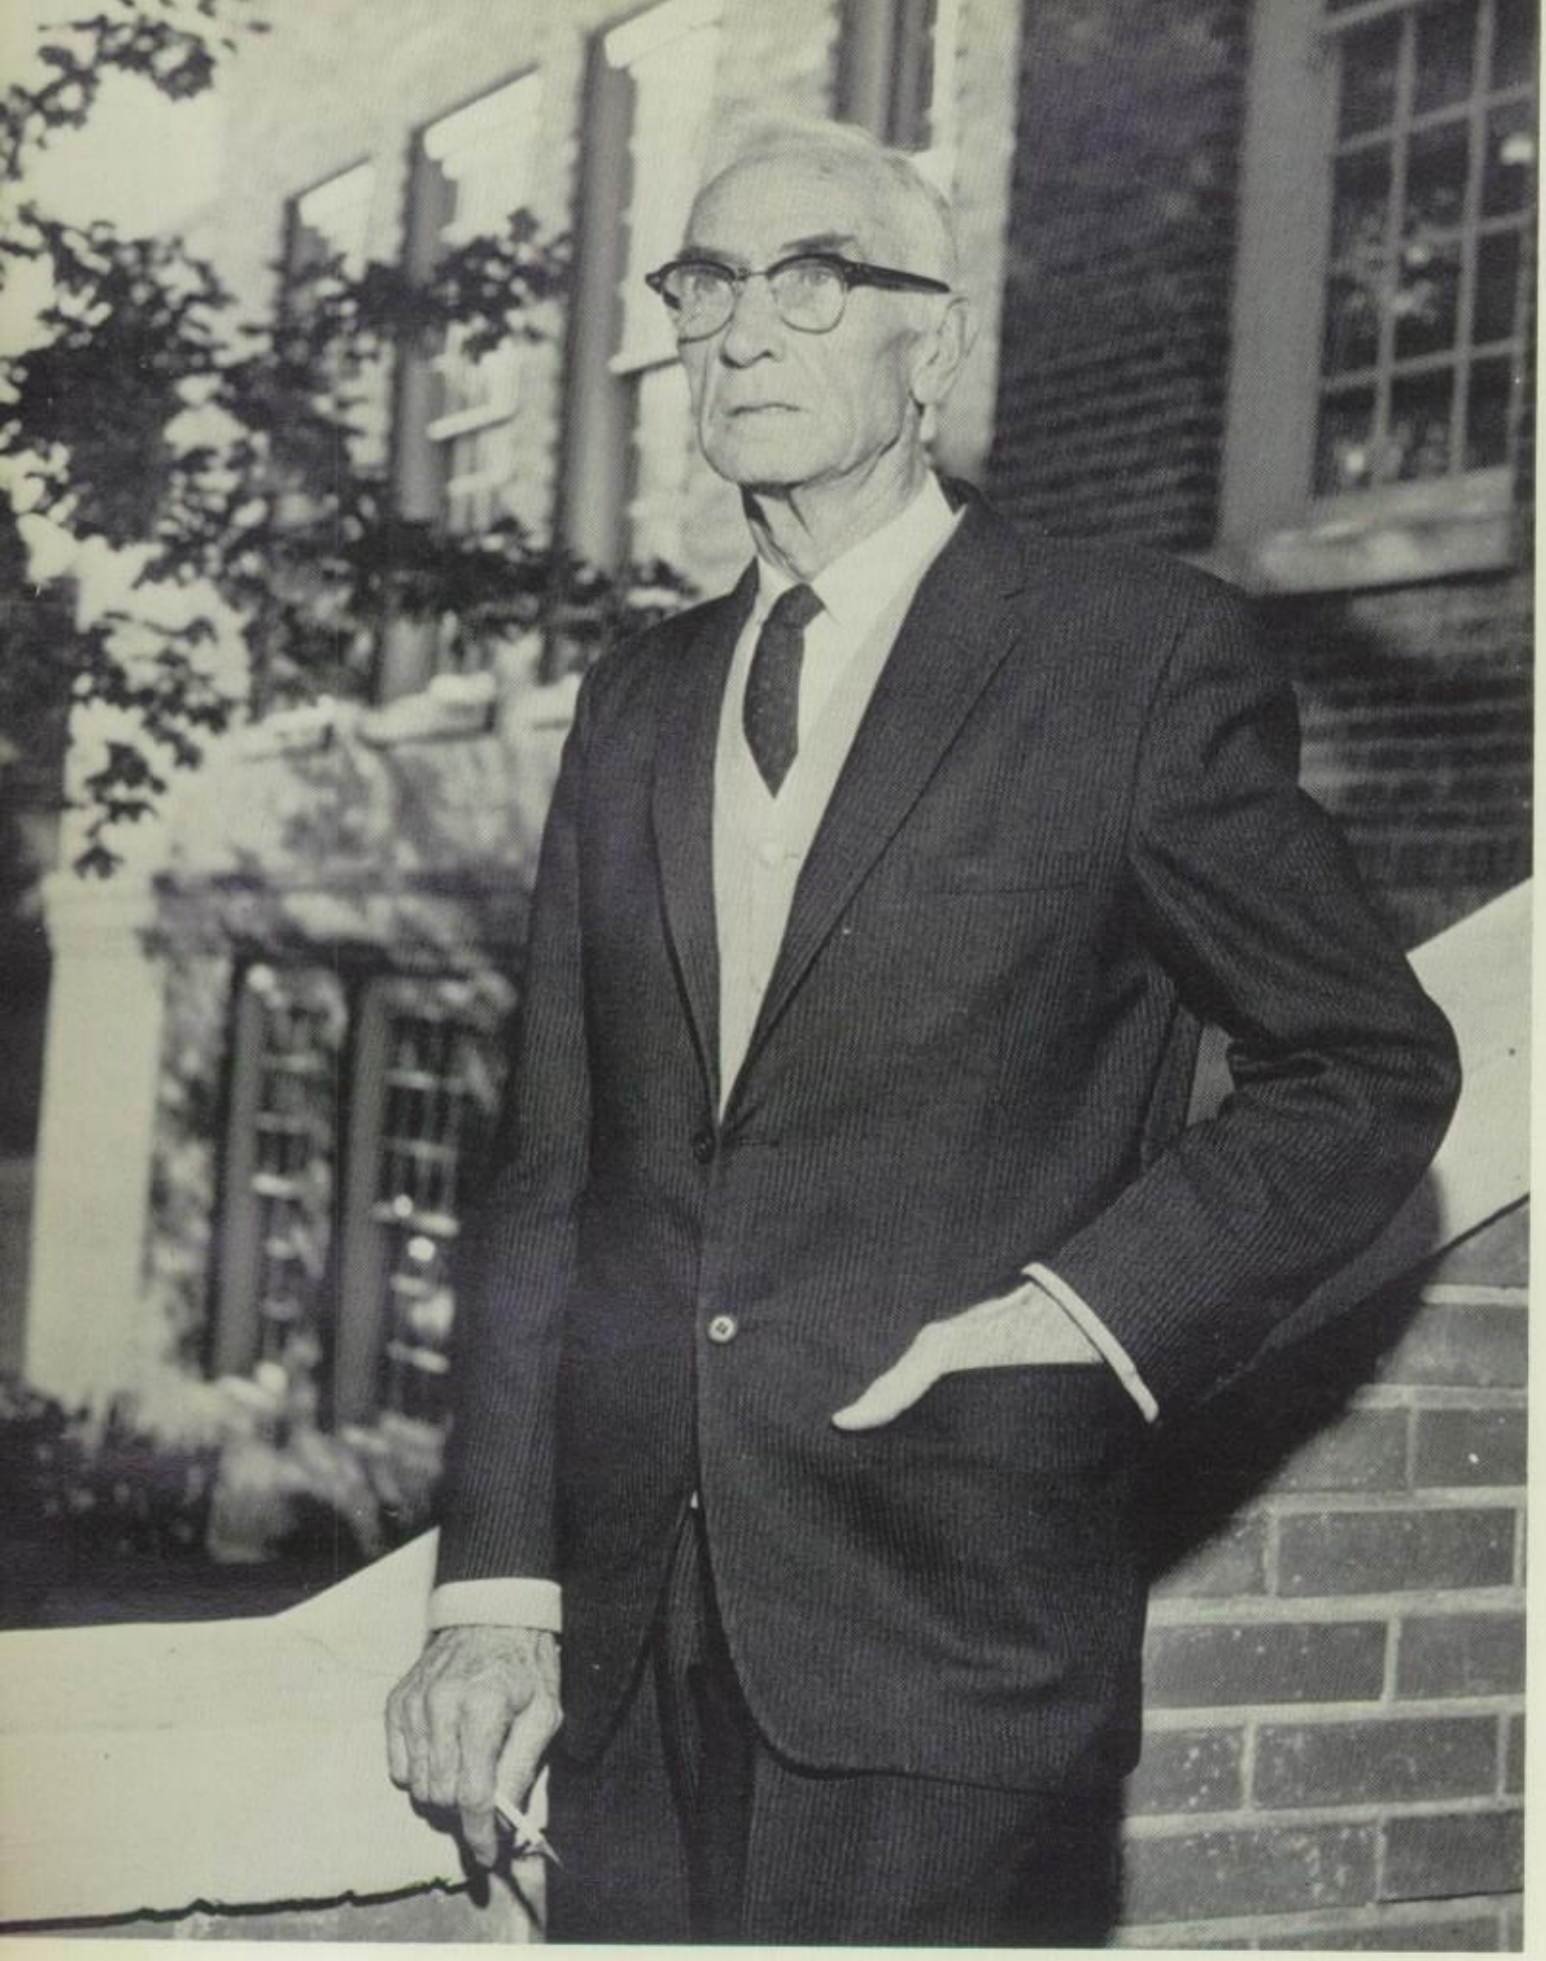
ADMINISTRATION

School board, superintendent, principal, and teachers -- these compose our administration. By their capable hands we are led through the gates of knowledge and into the halls of the educated. Devotedly they lead, trustingly we follow.



Mr. G. A. Brown

As the final school year draws to an end, the seniors begin to remember the little things that have effected their lives. As the panorama of studies, sports, clubs, and teachers unveil themselves, Mr. Brown, you are seen as the indisputable leader. By your council, many of us have become better students. In the future it is a certainty that your footsteps will be inevitably followed by those who admire you.

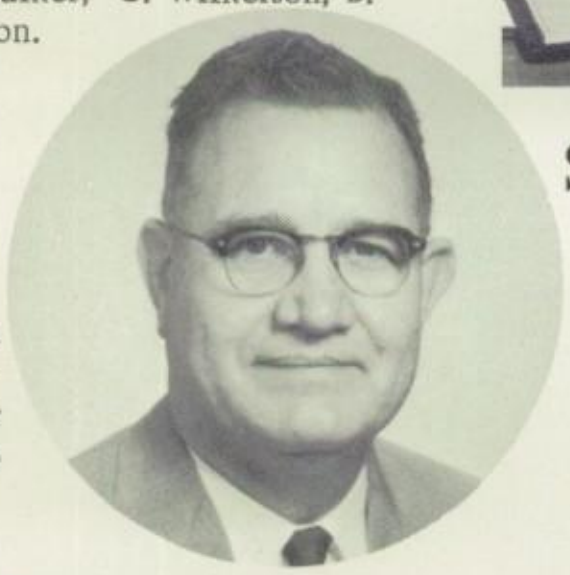
BUS DRIVERS

FIRST ROW: F. Holmes, D. Durham, L. Crawford, S. Parker, L. Hunley, E. Perry, W. Minton. SECOND ROW: R. Crabtree, H. Copple, D. Sturdivant, L. Crabtree, N. Felmet, N. Durham, D. Bradsher. THIRD ROW: C. Johnson, D. Coleman, S. Andrews, C. Blalock, K. Walker, C. Wilkerson, B. Knight, J. Rhodes, C. Wagnor, F. Cole, J. Wilkerson.

Bringing students from every corner of Orange County, our bus drivers carry a great deal of responsibility. Due to their caution in driving, our students can be confident of journeying safely to and from school.

SECRETARY

Mrs. Hunley--A wonderful and willing friend to any student in need. Her services are not only a blessing to Mr. Brown but also to the treasurers of our clubs by constantly untangling their financial kinks.

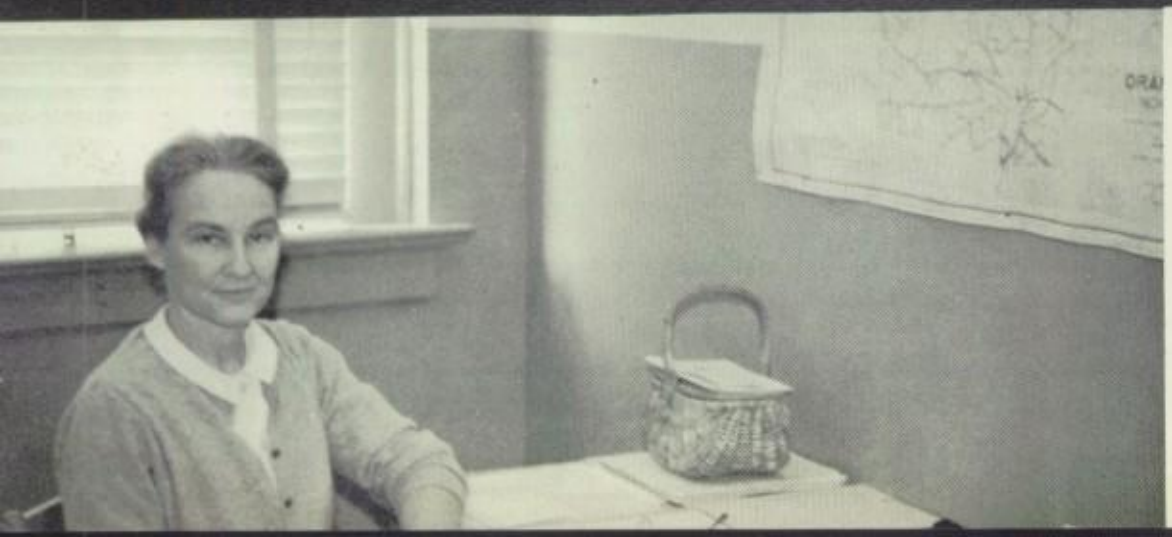


SUPERINTENDENT

Mr. Carr, our superintendent, plans the school's administration. He is a 1930 graduate of U.N.C. with an A.B. degree and a major in History. He obtained a Masters of Education and Administration and also has to his credit a Superintendent Certificate.

Mrs. McKee will always have a special place in the memory of our 1962 graduates. Her counseling has led the way for many students to find their future colleges and careers. She attended Flora MacDonald, the Biblical Seminary of New York, and U.N.C., majoring in English, French and Bible. She has both her A.B. and M.A. degrees.

OUR COUNSELORS



Mrs. Ray has a three-way job. Not only is she a counselor to our junior-high, but also to the Efland and Aycock schools. Her counseling has proved encouraging and helpful for our younger students. She received her B.S. degree at the Woman College of the University of North Carolina where she majored in Physical Education.

ACTIVITIES

During the four years of high school it is the clubs and outside activities that make the real leaders. In this aspect the students are in charge, setting the pace for future classes. There is an organization to fit the needs of practically any person, and within these organizations the true friendship and loyalty for our school is born.

. . . OUR SCHOOL

Found in this book are pictures and words, simply stated, representing the desires and efforts of the SILHOUETTE staff to provide you with a record of the 1961-62 school year. It has taken much time and work which the casual observer would never suspect--countless night sessions of planning, drawing layouts, preparing the dummy, selling ads, taking pictures, writing and rewriting copy,

BETA CLUB

FIRST ROW: G. Terrell, B. Faulkner, P. Walker, K. Perry, D. Bradsher. SECOND ROW: S. Thompson, J. Carr, A. Ray, K. Barnes. THIRD ROW: M. Brown, H. Brewer, W. Riley. FOURTH ROW: C. Allison, Mr. Leonard, Advisor.

Hillsboro High's honor club, the Beta Club of '61, made several noteworthy contributions to our school this year. As a means of thought provoking meditation and inspiration, weekly devotions were given. The mid-morning hunger of the students was satisfied by food from the Beta's Snack Shack. Our main bulletin board was kept up to date by this hard working club. The Beta's gave us all this plus one more and even greater thing, the goals of leadership, character, service, and knowledge.

The Beta Club's main project, the management of the Snack Shack and a consolation to our mid-morning hungers, is the scene where our officers are working the 10:30 rush. FIRST ROW: B. Faulkner, Program Chairman; D. Bradsher, Treasurer; K. Perry, President. SECOND ROW: C. Allison, VicePresident; H. Brewer, Secretary.

FUTURE LEADERS

F. T. A.

The Future Teachers of this year have done a very capable job of aiding the teachers in mimeographing tests, checking papers, and even teaching classes during Future Teacher Week. The club has served in giving a degree of experience to those who are considering a teaching field. F.T.A. has also served to further unite the student with the faculty.

MONOGRAM CLUB—OUR H.H.S. TEAMMATES

Club Officers, LEFT TO RIGHT: Beth Marshall, Treasurer; Tommy Marshall, Secretary; Johnny Shambley, V-President; Gene Knight, President.

The purpose of the Monogram Club is to promote good sportsmanship. To be a member of the club, one must have participated in at least one of the three sports offered at H.H.S., or be a member of the band. Upon entering the club, one is eligible to purchase a jacket or sweater. Only the members of the club may wear the monogram jackets.

The purpose of the Glee Club is to acquaint the students with such fundamental aspects of music as notes, rhythm, symbols, terms, and tone, so that group singing can be accomplished and enjoyed.

In addition to their vocal training, this organization develops an appreciation of music, encourages a spirit of cooperation and receives many benefits from their participation in their worthwhile activity.

A typical scene in Mrs. Smith's Choral Music class--practicing for improvement, then perfection.

STUDENT COUNCIL— H.H.S. LEADERS

Student Council Officers are: Kay Graham, Secretary; Mary Beth Fudge, Treasurer; David Coleman, Vice-President; Jack Knight, President.

In the schools of America today, young people want to experiment with the same democratic philosophy that has been a characteristic of American people since the very beginning. Our Student Council is the core of this experiment and at Hillsboro High, the Student Council serves as the governing body. One of the main purposes of the council, composed of its officers and a representative from each home room, is to serve the faculty and the students through hall duty, the Litter-bug campaign, and by improving minor deficiencies by suggestion, not force.

The Student Council members are not as forceful as they might appear to be--they really believe in using suggestions as a means of eliminating such minor deficiencies as their litter-bug has caused by reminding him that "every litter bit means alot" . . . Don't you be a litter-bug or you might find the strong finger of a Student Council member pointing at you!

FIRST ROW: Miss Rae, D. Terrell, B. Faulkner, S. Lemons, J. Gilmore, G. Sims, D. Gates, T. Marshall, P. Crutchfield, B. Marshall, J. Knight, A. Lloyd. SECOND ROW: S. Bynum, L. Pettit, R. Newberg, D. LATIUM CONCILIUM—LATIN CLUB

"No Dwight, "Bonjour is French, not Latin"--a typical day in Latin I with two trying students--drills and more drills, amo, amas, amat . . . all that homework, tests, and exams, but after all "practice makes perfect."

The Latin Club opens the door to Rome's exciting and colorful past. Their goal to obtain a better understanding of the ancient Romans helps them to have a better understanding of our own civilization, since we have taken so many things from the Romans and many of our words are derived from Latin, especially in the field of science. The Latin Club has written a constitution this year which will help the members to carry out their program in the best way possible.

BAND—OUR H. H. S. MUSICIANS

Much of the credit of our band and majorettes' success is due to the guidance and direction of our band and majorette directors--Mr. and Mrs. Bob Hass.

Long will we remember the unfaltering footsteps of the band as the members performed at our football games. To stimulate school spirit, few things are so effective as the crisp notes of a march or the half-time performances of precision drill and pageantry. The H. H. School Band has been very active. Playing in three parades this year, in Band Day at the University of North Carolina, at Cary, and at the State Fair, for the school assemblies, and for concerts has kept the band well occupied. The five one-hour classes for the band students not only teaches the fundamentals of good musicianship, but also the history and theories of the various types of music and musical instruments. This accomplished group, which received an excellent rating in the state contest last year, finds that the band develops the knack of cooperating with others and helps the students have fun and at the same time learn something worthwhile.

BOYS' AND GIRLS' STATE

Boys' State, sponsored by the American Legion, was held at U.N. C., while Girls' State, an American Legion Auxiliary project, was held at W.C.U.N.C. Both organizations had a week full of making new friends, lectures, political rallies, campaigning, and all forms of recreation. The Boys' State convention was highlighted by a banquet at which the awards were made.

THE 1961 JUNIOR-SENIOR

The last of a great tradition, the Junior-Senior of 1961, will long be remembered. April 21 was the magic day when Hope Valley Country Club bloomed into the lovely atmosphere of the old South. As the evening ebbed, there could be heard the moving wails of "Summertime" played by Russ Olsen's Orchestra. All too soon the night was ended, but its wonder and beauty lived on.

Master of ceremonies, Jim Hopper, overlooks the crowd. . ."Hey kids, it's time for my speech. Come on."

ATHLETICS

Sports-the lifeline of student activity. Football, basketball and baseball--these three command the attention of the school and the town as well.

VARSITY FOOTBALL—'61

Coaches Glenn Auman and Fred Claytor have led the 1961 Hillsboro High Wildcats through another winning football season. Eight out of nine games were tough and hard fought games. The wildcats didn't win all of the games, but no one can deny them the right to say that they fought and hustled throughout each contest. The Wildcats passed and rushed for over 2,365 yards this season. Hillsboro defeated Graham, Henderson, Chapel Hill and Oxford Orphanage. The Wildcats were defeated only by Northern, Oxford High, and conference champion Roxboro. Hillsboro tied with Erwin, a non-conference opponent, and also tied with Southern. The Wildcats scored 150 points to the opposers 123. Thus ended the 1961 winning football season for the Hillsboro High Wildcats. Good luck to the footballers of the class of '62.

GIRLS BASKETBALL—'62

CO-CAPTAINS

Kay Graham

Carolyn Hart

As far as records go, the Kittens have one of which to be proud this 61-62 season. Injuries and sickness have tried to tear down their wall of strength, but the determined Kittens refused to give up. Seven seniors and promising underclassmen made a good example of Doug Kisler's speech at last year's Athletic Banquet. He said that it took skill, effort, practice, and determination to make a basketball player.

Kay Graham's scoring mark reached 36 points in the 2nd game with Graham. Phyllis Crutchfield and Carolyn Hart both scored in the high 20's in several games.

Each and every player gave all of her efforts to make this team one to be remembered, not so much for skill but for their scrapping, alertness, and endless strength that would not let them falter. They ended each game with the same assurance and confidence in their fellow players as they began with in the next game. The pass-words for the Kittens this season were determination and teamwork.

BOYS' BASKETBALL—'61

As the 61-62 basketball season started for the Wildcats, much was said about the important asset of height. The average height of the players is 6 feet 1 inch. Seven seniors help to make up the team. The starting line-up was altered several times during the season.

Two excellent senior scorers, Danny Copeland and Craig Allison, have ranked among the best scorers in the conference this season. Danny's scoring ability improved as the season progressed. He set a conference record in the Southern game with a 30 point individual score. Several games later, Craig topped his teammate's record by scoring 34 points against Oxford.

The entire team has the admiration of the student body for their ceaseless endeavors, for their good-spirited humor, and for their good sportsmanship. The boys who were on the team may have heard this before: "It's not so much who won or lost but how they played the game."

VARSITY BASEBALL—'62

The first day of practice, all the boys are excited and full of energy. There are many new faces who are trying to make the team for the first time. They get dressed quickly and ride over to the baseball field in the "Silver Bullet."

Mr. Auman greets everyone with a friendly smile and tells them to run a couple of laps around the field to get warmed up. Everyone starts the laps, but only a few manage to finish them. The rest of the day is filled with learning to run bases, to steal bases, and other examples of base running. Near the end of practice, the boys finally get to bat, as they have longed to do all day, but after a few pitches, they find it is hard to see the ball, much less hit it.

As the days of hot, dry practice pass, Coach Auman's keen eyes pick out the boys who seem to know how to play the game fairly well. After the first week of fundamentals, the team begins to shape into a well drilled group of baseball players. With Mr. Auman's coaching, the team learns how to execute many different and difficult plays, each for a different situation during a game. When the time comes for the first game, the boys are full of pep, and with the coaching and baseball knowledge possessed by Glenn Auman, the team goes on to have another successful season as they have done many times in the past.
